

TAKING CARE OF THE KIDS: INNOVATIVE TRAINING PROGRAMS FOR MILITARY-CONNECTED CHILDREN -- GONZALEZ AND WILBUR

Last Modified on 02/19/2020 3:48 pm EST

"This session will feature two truly innovative programs designed to provide military-connected children with unique training opportunities:

- Building a STEM Future: Society of American Military Engineers Pathways to Engage Defense Community Children
- Project SEARCH: Providing Internships at Military Installations to Military-Connected Children with Disabilities"
