

THE RISE OF REGIONAL AND STATE DEFENSE ALLIANCES: HOW COMMUNITIES ARE ORGANIZING AT HIGHER LEVELS TO SUPPORT THEIR DEFENSE SECTORS

Last Modified on 11/04/2021 4:32 pm EDT

Many of the key challenges facing installations are not confined to a single community, or even a single state. Climate change, training range encroachment, workforce and other key issues often cross borders and require a regional or multi-community approach. This session will explore how several states and communities came together to create new organizations dedicated to finding regional solutions.
