

UNDERSTANDING HOW COMMUNITIES CAN ENGAGE WITH THE DOD MANUFACTURING TECHNOLOGY ENTERPRISE

Last Modified on 03/14/2022 11:04 am EDT

The DoD Manufacturing Technology (ManTech) enterprise attempts to utilize advanced manufacturing to secure a more lethal force, strengthen alliances and new partnerships, and reform the Department for greater performance and affordability. This session will explore the various ManTech partnership opportunities and grant programs available for for communities and defense industry.
