

SECURING MANPOWER FOR PARTNERSHIPS AND MISSION SUSTAINMENT: SPOTLIGHT ON AIR FORCE RESERVE COMMAND

Last Modified on 11/02/2022 12:58 pm EDT

Air Force Reserve Command is a known promoter of mutually beneficial partnerships and was also quick to implement meaningful changes when the Department of the Air Force transitioned from encroachment management to mission sustainment. Hear Reserve leaders talk about lessons learned as they envisioned unique community partnerships while also championing an AFRC effort to secure manpower for partnership and mission sustainment billets.
