

# WATER TREATMENT PARTNERSHIP: MOODY AIR FORCE BASE AND LOWNDES COUNTY, GA

Last Modified on 11/02/2022 12:59 pm EDT

Moody Air Force Base first introduced an intergovernmental support agreement for water treatment to the installation in October 2016. In 2021, Moody Air Force Base became the first installation in the history of the Air Force to renew a 10-year intergovernmental support agreement. Join this session to hear how the agreement came about and other items the installation and community have in the pipeline.
